THE MONGOLIAN BARBECUE

Ideal for informal parties of twenty or more, in this concept the food is presented in its natural state finely sliced or shredded, so that your guests could make their choice. Our cooks will then prepare your selection in our special woks, adding whatever condiments and sauces you may choose.

You could visit the barbecue as often as you would like, trying out a different selection each time. The advantage is that no formal seating is required and that it is also a perfect cocktail idea.
